Mr. Thomas P. Robinson
Vice President
New York University
Washington Square
New York 3, New York

Dear Mr. Robinson:

In response to your inquiry of December 1, RKO General is not prepared to consider granting WOR-FM to New York University. It would serve no purpose, therefore, to set up a meeting to discuss the suggestion.

I hope you will understand that our lack of interest is in no way a reflection upon New York University for which we have the highest regard.

Sincerely yours,

Hathaway Watson
